INVESTOR ALERT: KGS Announces 48 Days Remaining For Allot Communications Ltd. Investors to Request Lead Plaintiff Position In Shareholder Class Action Lawsuit

Tuesday May 15, 11:56 pm ET

NEW ORLEANS, May 15, 2007 (PRIME NEWSWIRE) -- Kahn Gauthier Swick, LLC ("KGS") announces that shareholders of Allot Communications Ltd. ("Allot" or the "Company") (NasdaqGM:[ALLT](#) - [News](#)) who purchased shares of the Company in connection with its November 15, 2006 Initial Public Offering ("IPO") or who purchased shares thereafter in the open market, have 48 days, or until July 2, 2007 to move for appointment as Lead Plaintiff in a securities class action lawsuit currently pending in the United States District Court for the Southern District of New York. No class has yet been certified in this action.

UNTIL A CLASS IS CERTIFIED, YOU ARE NOT PERSONALLY REPRESENTED BY COUNSEL UNLESS YOU RETAIN AN ATTORNEY.

If you purchased shares of Allot in connection with the IPO or if you purchased shares thereafter in the open market, you are urged to contact Lewis Kahn, Managing Partner, KGS, toll free 1-866-467-1400, ext. 100, via cell phone at 504-301-7900, or by email at lewis.kahn@kgscounsel.com to learn about your legal rights and how this action may benefit you. For further information on KGS, please visit <http://www.kgscounsel.com>.

Allot and certain officers, directors and underwriters are charged with including false and misleading statements in the registration statement and proxy-prospectus issued in connection with the IPO in direct violation of the Securities Act of 1933. Specifically, defendants each failed to reveal, at that time of the IPO, that Allot was experiencing declining sales in its indirect distribution channels, including enterprise, education and smaller ISP customers, in North America.

SPECIAL NOTICE: Multiple law firms often file the same class action. However, courts will generally appoint only one of these firms to prosecute a securities fraud action on behalf of the shareholders based upon the amount of losses its "lead plaintiffs" have suffered. Accordingly, while KGS urges you to sign up with the firm, KGS also encourages you to carefully evaluate any other firm that may be competing with KGS to prosecute the Allot class action, should you be considering another firm. Critical components of a law firm's ability to successfully prosecute this action and obtain a strong recovery for you include the resources it will dedicate to prosecution of the case, including the number of lawyers the firm has available for the Allot action in particular, AND especially the quality of the firm's work. Interested shareholders are encouraged to call for consultation and to request more information about KGS.
